Dear Arminco Team,

Thank you so much for all that you have done for me. You understood my needs and executed my vision flawlessly. I was under a very tight deadline and from day one you promised me an efficient process and you delivered. We actually finished the project earlier than we anticipated! The design team was fantastic! I must have emailed or called Zehra a million times a day. I can't imagine working with a different group of people. Everyone was so nice and professional. The work space was always clean and orderly. I just can't say enough good things about everyone at Arminco. The follow up and the attention to detail was great. I always had a contact person and someone always was available to speak with me.

Thank you once again!

Sincerely,

Christine Karapetian, D.D.S.
